

# 560W PERC High efficiency

## Bifacial Solar Panel

SGP-560-SBD

Bifacial technology allows for the harvesting of up to an additional 25% energy from the rear side of the module.

Excellent low irradiance performance.

Enhanced light trapping and optimized current collection contribute to the improvement of both module power output and reliability.

Industry leading lowest thermal coefficient of power.

Design optimized for lower operating current, resulting in minimized hot spot loss and improved temperature coefficient.

Certified to withstand:  
wind load (2400 Pa) and  
snow load (5400 Pa).

100% triple EL test enables remarkable reduction of module hidden crack rate.

### LINEAR PERFORMANCE WARRANTY

15

years

Product quality & process guarantee

30

years

Linear power guarantee

0.45%

Annual degradation  
Over 30 years

### COMPREHENSIVE CERTIFICATES

UL61730 Certified by ETL

ISO 9001: Quality Management System

ISO 14001: Environmental Management System Standard

ISO 45001: International Occupational Health and Safety Assessment System Standard
